Purpose: To request that Joe Iracane not be
re-elected chairman of the Board of Regents.

STATUS:

Whereas, The election for the chairman of the Board
of Regents is taking place Thursday,
October 31, and

Whereas, It is assumed that Joe Iracane will again be
pursing this position, and

Whereas, Joe Iracane has been chairman for eight
consecutive years, and

Whereas, Eight years is too long for one person to
serve as chairman of a Board of Regents, and

Whereas, Joe Iracane does not represent the best
interest of Western due to his own personal
reputation based on the investigation by the
FBI, IRS, and the U.S. attorneys in Indiana
and Kentucky for his being involved in a
scheme that he allegedly paid \$6 million to
Pyramid Mining Co. in return for contracts
and his allegedly paying \$14,500 to Pyramid
for a contract to act as a consultant for
the company, and

Whereas, Joe Iracane has offered no visible support
for President Thomas Meredith, and

Whereas, This body supports President Meredith and
his vision for Western's future, and

Whereas,

Joe Iracane has involved himself with the day to day operations of the University when the Board of Regents' Bylaws state in section B number 2 that the president is authorized, as the chief executive and educational officer of the University, to direct the day-to-day affairs of the institution, and

Whereas,

The same paragraph in the Board's bylaws states that the Board of Regents delegates this authority to the President in order to provide for the responsible and efficient administration of the University and the accomplishment of its goals.

Therefore,

Be it resolved that we, the members of the Associated Student Government, do hereby state that we feel that Regent Joe Iracane should not be re-elected chairman of the Board of Regents.

Furthermore,

As representative of the student body, we request that Student Regent Heather Falmlen vote not to re-elect Chairman Iracane.
