President – Jeanne L. Johnson

- Hello everyone. I am very ecstatic about this semester. We have a busy semester ahead of us.
- Listen Up Legislators is coming up and Amanda Allen will be talking more about that. We really need to focus on Monday and Tuesday so we can set up in DUC and tell people who we are and about more funding. This year we are going to call our legislators instead of using letters. Shirts are ordered already for Saturday so we can focus efforts on the retreat. The shirts are bright yellow and we would like for you to wear them and blanket our campus. Anyone who calls our legislator from their cell phone gets a sticker that say, "I called my Legislator."
- Anyone who would like to represent SGA and help with the "Coming Home" banner please let me know. Also, we will be voting on a "Coming Home" King tonight.
- I will be passing around a chart with some special dates that have specific meetings like the University Publication Meeting and the General Education Committee. If you would like to sit in on it please write your name. The Community College can be represented here on the main campus.
- I also will be passing around a form to see if you can go on Saturday. Please put yes or no. I'm very excited and I hope it will prove to WKU we are working hard for them.
- There are several appointments today so please give a little introduction about your self.
- Have a great semester.
