Introduced 4-08-86

PURPOSE: To place bulletin boards in Downing University Center Elevators.

STATUS:

PASSED

WHEREAS, Most people upon entering an elevator focus their attention on the lights indicating what floor is being approached, and

WHEREAS, This attention can be better utilized to benefit the individual as well as campus organizations, and

WHEREAS, Publicity literature that would be located on a bulletin board in elevators would provide an outlet for the attention of elevator users,

THEREFORE, Be it resolved that we, the members of the Associated Student Government of Western Kentucky University, recommend that the University place two bulletin boards inside the Downing University Center elevators.

FURTHERMORE, If this policy is enacted and effective, we recommend other bulletin boards be placed in either elevators on campus.
