For the University to build benches at all Big Red Shuttle locations on campus.

Not all Big Red shuttle bus stops currently have benches, and

Uncomfortable, lengthy waiting periods may cause both discouragement and resentment toward the Big Red shuttle systems positive effort, and

In an effort to increase use of the shuttle system, the addition of benches would make the waiting period more tolerable, and

Be it resolved that we, the concerned members of the Associated Student Government of Western Kentucky University, respectfully ask that the University install benches at those shuttle stops not already having one.
