RESOLUTION 90-6-F
RA Selection Enhancement

PURPOSE: For Western Kentucky University to enhance their RA selection process

STATUS

WHEREAS: We now have quality RAs who often go unwanted and unrecognized, and

WHEREAS: The following process would give RAs more prestige and publicity, and

WHEREAS: If the new incentives are implemented then there will be more people wanting RA positions, and

WHEREAS: This will cause a strain on the current system

THEREFORE: Be it resolved that we the members of the Associated Student Government do hereby recommend the following RA Selection Process

The following outline is suggested:

- 1 All people wishing to be RAs shall all apply at one central location.
2. The applicants shall be evaluated by their forms. The ones selected shall proceed to interviews. All returning RAs skip form evaluation and go directly to the interviews.
- 3 Applicants will then go through the first interview. This will be done by graduating RAs, representatives from hall government, and/or representatives from Resident Life. Also one faculty person will be present. The applicants that pass this interview WILL BE RAs.
4. The RAs then go to their top 3 Resident Hall choices for interviews by the director and his chosen staff.
- 5 From this point the current system will take effect.

FURTHERMORE: This plan keeps in tack the present system, and preserves the "atmosphere" that each Residence Hall has developed.
