Resolution 91- 23-S
Fall Break

PASSED

Purpose: For Western Kentucky University to consider the implementation of one of several suggestions for a fall break

Status:

Whereas, There has been an extensive interest among the student body for the implementation of a fall break, and

Whereas, In a recent A S G survey, 1'068 out of 1'240 students responded that they would like to see Thanksgiving Break extended to a whole week, and

Whereas, With the addition of a fall break, this would give professors and students an opportunity to prepare for the remainder of the semester, and,

Whereas, Western attends 76½ days in the fall, and 74 days in the spring, and

Whereas With the implementation of a fall break during Thanksgiving week, it would make the number of days in each semester more proportionate, and

Therefore: We the members of the Associated Student Government respectfully request that Western Kentucky University implement a fall break based upon the suggestions given by the student body in a recent A S G survey.
