Resolution 91-15-S

PURPOSE: For WKU Food Services to institute a program by which comeback cups would be available for use by students, faculty and staff

WHEREAS, These "comeback cups" would be purchased at a standard price above the cost to allow for profit

WHEREAS, The cups would be heavy duty plastic mugs

WHEREAS, After the initial purchase the owner would then be able to get soda, tea and lemonade refills at a reduced price ($\frac{1}{2}$ price?)

WHEREAS, Use of these cups would reduce the amount of waste generated by Food Services and thus be beneficial to the environment

WHEREAS, Many convenience stores and restaurants such as Jr Food, Minit Mart and Godfather Pizza already have similar programs in effect

WHEREAS, The WKU logo could be placed on the cups as a nifty form of publicity for the university

WHEREAS, Implementation will be decided by Food Services with the aid of USA and ASG

THEREFORE: We, the environmentally concerned members of ASG do request that Food Services make "comeback cups" available to the students, staff, and faculty of WKU
