RESOLUTION 94-3-S
UNIVERSITY SEMINAR
INTRODUCED: MARCH 1, 1994

PURPOSE: For Western Kentucky University to establish an educational curriculum which includes instruction on Western's traditions, history, and on the administrative processes of Western's campus and the local community.

STATUS: Currently, there is no instruction on the history and administrative processes of Western, and

WHEREAS: Freshmen need to be educated on more than their Educational Curriculum, and

WHEREAS: Western has a notable and distinguished past, and

WHEREAS: By having a class that would teach them the overall aspects of Western, this would instill pride in their university and community, and

WHEREAS: Western is continually advancing technologically and this would be an opportunity to teach students the use of the VAX and INTERNET Systems, and

WHEREAS: This would make Western graduates knowledgeable and more well-rounded individuals, and

WHEREAS: This class could be incorporated into the General Education Curriculum.

THEREFORE: Be it resolved that we, the members of the Student Government Association of Western Kentucky University, do hereby recommend that a class on the history and administrative processes of Western and the community be established and incorporated into the General Education Curriculum.
