RESOLUTION 95-4-F

**Install a Handrail by Schneider Hall Drive
October 17, 1995**

PURPOSE: For the University to install a rail on Schneider Hall Drive.

WHEREAS: The faculty parking lot is very steep, and

WHEREAS: When it rains or snows, it becomes very slippery , and

WHEREAS: A handrail would prevent students from falling and injuring themselves, and

WHEREAS: The handrail needs to be placed next to Schneider Hall by the Wetherby Administration Building Lot (see map for location).

THEREFORE: Be it resolved that we, the members of the Student Government Association, do hereby recommend for the safety of the student body that the University install a handrail on Schneider Hall Drive.
