Resolution 98-12-S

Elimination of Cap and Gown Fee

March 30, 1998

PURPOSE: For the University to eliminate the charge for the cap and gown in the graduation fee for graduates deciding not to participate in the graduation ceremony.

WHEREAS: It is highly unfair for those graduates electing not to participate to pay for the cost of the ceremonial cap and gown, and

WHEREAS: Not all graduating students are able to attend the ceremony and they have no need for the cap and gown, and

WHEREAS: The money that these graduating students would save could be used for other graduating expenses.

THEREFORE: Be it resolved that we, the members of the Student Government Association, do hereby recommend that the University eliminate the charge for the cap and gown in the graduation fee for graduates electing not to participate in the graduation ceremonies.
