Resolution 98-9-S

Suspending Afternoon Classes Before Spring Break

March 30, 1998

PURPOSE: For the University to suspend classes at 12:00 noon on the Friday before Spring Break.

WHEREAS: Many students travel far distances on this day and need to get an early start, and

WHEREAS: Students must thoroughly clean their residence hall rooms and defrost their refrigerators before they can check out, and

WHEREAS: Students must be out of the residence halls by 6:00, leaving students with late afternoon classes little time to get their rooms in order and pack to go home.

THEREFORE: Be it resolved that we, the members of the Student Government Association, do recommend that the University suspend classes after twelve on the Friday before Spring Break.
