Resolution 97-18-F
Installation of Student I.D. Scanners
November 11, 1997

PURPOSE: For the University to install student I.D. scanners at all vending and beverage machines on campus.

WHEREAS: Many students use Big Red Dollars to purchase food and beverages on campus, and

WHEREAS: Big Red Dollars and student I.D. scanners allow easier access to food and beverages on campus, and

WHEREAS: increasing the number of Big Red Dollar I.D. scanners on campus will also increase student use of food and vending machines.

THEREFORE: Be it resolved that we the members of the Student Government Association do hereby recommend that all vending and beverage machines on campus be equipped with I.D. scanners.
