Resolution 03-03-S
One-Stop Accounting at WKU
February 4, 2003

PURPOSE: For the Student Government Association of Western Kentucky University to support President Ransdell's goal to implement a consolidated, one-stop student accounting system unless it adversely affects timely disbursement of residual aid checks.

WHEREAS: This one-stop student accounting system would consolidate all financial affairs for students, and

WHEREAS: A central student account already exists for payment of limited university fees on a secure web site with credit card payment options, and

WHEREAS: This one-stop accounting system will expand payment options, and

WHEREAS: The current decentralized fee payment situation creates a complicated and unnecessary bureaucracy.

THEREFORE: Be it resolved that the Student Government Association of Western Kentucky University supports President Ransdell's goal to implement a consolidated, one-stop student accounting system unless it adversely affects timely disbursement of residual aid checks.

FURTHERMORE: Let it be resolved and recommended that said program be put in place for fall 2003 or earlier.
