

Resolution 78-20

Open House Survey Revision

Introduced 4/17/79

Passed/Failed PASSED APRIL 24

Whereas, the current method of selecting dates of "Open Houses" is too long and time consuming, counts student apathy as a NO (0 open houses) in this selection, and is administered only once a year for both semesters,

Therefore, be it resolved that we, the Associated Student Government of Western Kentucky University request that only the returned surveys be counted in the tabulation of "Open Houses",

Also, be it resolved that if a student prefers a certain date or time for an "Open House" that he/she indicate that information at the end of the survey,

Finally be it resolved that a form similar to the one attached be used and that the survey be administered at the beginning of each semester.
