Resolution 80-7
Budget Cutback
Introduced: 9/18/80

Status: **PASSED**

Whereas, budget cuts amounting to \$5,000 was implemented pertaining to residence halls and their staffs, and

Whereas, it would naturally be assumed that all 17 residence halls would help absorb these cuts, and

Whereas, Pearce-Ford Tower, housing more than any other residence hall, was forced to absorb the entire \$5,000 cut back, when more equitable solutions were proposed and blindly rejected, and

Whereas, to the student and anyone not familiar with administration decision making, this decision seems grossly unfair to the residents of Pearce-Ford Tower,

Therefore, let it be resolved that ASG goes on record requesting an official explanation as to why Pearce-Ford Tower was made to absorb the entire budget cut.
