Resolution 85-16-F
Fall Mid-Semester Break
Introduced 12-10-85

PURPOSE: To establish a mid-semester break during the fall semester of each academic year.

STATUS: **PASSED**

WHEREAS, Both students and faculty need a break during the fall semester to allow them to overcome a mid-semester backlog in coursework before the middle of the semester, and

WHEREAS, There exists no break which allows neither the students nor the faculty a chance to sufficiently overcome these backlogs in coursework before the middle of the semester.

THEREFORE, Be it resolved, that we, the members of the Associated Student Government, do strongly recommend that the University establish such a break during the fall semester of each academic year with the following recommendations:

1. the break shall be for no less than two (2) days and no more than three (3) days;
2. that the beginning first day of classes be adjusted to allow for the breaks;
3. that the break be implemented during the week prior to the scheduled finals of first bi-term classes.

FURTHERMORE, Be it resolved that all University functions continue on the regular schedule with the exception of class meetings.
