Resolution 89-1-S
Allocate a Study Day Before Finals
Introduced 1/31/89

PURPOSE:

For Western Kentucky University
to allocate the Friday before both
fall and spring semester finals
as a study day

STATUS:

WHEREAS,

Near the end of a semester, students
and faculty do not have ample time to
prepare for the beginning of finals,
thereby creating the need for an
extra day off, and

WHEREAS,

Considering the busy schedule of students
and teachers the week before final exams,
it is difficult for students to contact
teachers about any questions or
problems which may arise, and

WHEREAS,

An extra day off would allow sufficient
time for students to notify teachers and
clear up questions and problems, and

WHEREAS,

Another day to study just prior to final
exams, would serve both the students
and the university by allowing students
the time to more fully review and com-
prehend the large amount of material
covered over the duration of the
semester, and

THEREFORE,

We the concerned members of the Associated
Student Government of Western Kentucky
University respectfully submit that
the university designate the Friday before
semester finals as a study day.
