Resolution 89-02-F
Keeping Unicorn open on weekends

PURPOSE: For the university to extend Unicorn Pizza's hours on Friday nights to 1:00 a m and open this facility on Saturday nights from 7:00 p m. until 1:00 a m

STATUS:

WHEREAS: Currently, on the weekends, there is not an establishment on campus for students to have a sit down meal in a relaxed atmosphere, and

WHEREAS, Keeping Unicorn Pizza open later would be convenient for all students to eat or buy groceries, especially those who do not have cars to go elsewhere, and

WHEREAS, Western is trying to encourage students to stay on campus during weekends in order to change Western's reputation for being a "suitcase college." By keeping this and other facilities closed, students are actually discouraged from staying at Western on the weekends, and

WHEREAS, "The lack of eating facilities open during the weekends on campus" is cited by students as one of the major problems on campus, and

WHEREAS, President Meredith has expressed that he would like to see Western keep its students on campus during the weekends

THEREFORE: Be it resolved that we the concerned members of the Associated Student Government of Western Kentucky University propose that Unicorn Pizza should have its hours extended on Fridays and open on Saturdays.

FURTHERMORE: We suggest that the university run these new hours for a trial period of one month. This would help to insure that the university not suffer a large financial loss should Unicorn receive less than adequate amount of use during this trial period
