RESOLUTION 90-18-S
CONCERNING \$5 FEE INCREASE FOR STUDENT
HEALTH AND ACTIVITIES BUILDING
INTRODUCED APRIL 17, 1990

PURPOSE:

For the Board of Regents to approve a four year \$5 fee increase so that the student body may help pay for the Student Health and Activities Building.

STATUS:

WHEREAS,

Western Kentucky University needs assistance in paying for the new Health and Activities Building, and

WHEREAS,

Western Kentucky University students will be the primary users of the new building, and

WHEREAS,

The fee increase will only be in effect for a four year period so that the immediate financial demands of the building may be met, and

WHEREAS,

This fee increase is a necessity in order for Western students to gain this new addition to the campus, and

WHEREAS,

Without this fee, the Health and Activities Building will not be able to be built, therefore causing the current facilities to be continually used to excess and therefore deteriorating to the point of decay.

THEREFORE:

Be it resolved that we, the members of the Associated Student Government, do hereby ask the Board of Regents to approve a \$5 fee increase to assist in the financial needs of the Health and Activities Building.

FUTHERMORE:

We request that a plaque be placed on or in the building giving special recognition to the classes that helped finance the building through this fee.

FURTHERMORE:

In the event that outside sources raise enough money to cover the cost of the building, the money from the fee is to be used for the equipment and operational expenses of the building.
