Finals Proposal Resolution 91-1-S Finals Study Days

PURPOSE: For the University to revise the current Academic calendar by allowing two study days on the Thursday and Friday before finals week.

STATUS:

WHEREAS: Final examinations are an integral part of the academic success of Western students and

WHEREAS: This measure would allow students to concentrate on preparation for finals, and

WHEREAS: many projects are due on Thursday and Friday not allowing students to concentrate on final exams;

THEREFORE: We the concerned members of ASG recommend that the University revise the academic calendar allowing study days to Thursday and Friday before finals week.
