Introduced: September 21, 1993

PURPOSE: To bring attention to the University Maintenance Staff that the emptying of sand barrels used for cigarette waste is not satisfactory to the students of Western Kentucky University.

WHEREAS: It is an eyesore to Western Kentucky University, and

WHEREAS: It is not satisfactory to the students due to the fact that anonymous people are abusing the intended use of the sand barrels, and

WHEREAS: Those who choose to use the sand barrels for their intended purpose cannot properly dispose of their cigarette waste due to the overflow of trash.

THEREFORE: Be it resolved that we the members of the Student Government Association do recommend that those responsible for cleaning these areas empty the sand barrels and do so on a daily basis.
