RESOLUTION 95-3-F
Pave Creason Lot
October 17, 1995

PURPOSE: For the University to pave the Creason lot behind Egypt.

WHEREAS: This would clearly define parking spaces allowing more spaces and preventing double and crooked parking, and

WHEREAS: This would also prevent cars from being blocked in, and

WHEREAS: Students would not be forced to park in high water areas where their cars could possibly get stuck.

THEREFORE: Be it resolved that we, the members of the Student Government Association, do hereby recommend for the convenience and well being of the student body that the Creason Lot behind Egypt be paved.
