Resolution 97-2-F

Placing of Crosswalk on Dogwood Drive.

September 16, 1997

PURPOSE: For the University to establish a crosswalk on Dogwood Drive from the parking structure's stairwell exit to the adjacent sidewalk.

WHEREAS: The crosswalks that are already located on Dogwood Drive are placed in a location inconvenient to students having to use the parking structure, and

WHEREAS: the crosswalks that are placed on Dogwood Drive are inappropriate for students utilizing the parking structure, and

WHEREAS: the safety of students is jeopardized by motorists not aware of the possibility of crossing pedestrians.

THEREFORE: Be it resolved that we the members of the Student Government Association do recommend for the safety and convenience of the student body that the University establish a crosswalk on Dogwood Drive.
