Resolution 97-22-F
Placing of Ice Machines in all Residence Halls
November 18, 1997

PURPOSE: For the University to install ice machines in residence halls that do not have them and to repair/replace the ice machines that are currently in residence halls but not working.

WHEREAS: Some of the residence halls on campus currently do have working ice machines while others do not, and

WHEREAS: ice is beneficial in emergency situations, and

WHEREAS: the freezers provided by the residence halls are not big enough for ice trays and food.

THEREFORE: Be it resolved that we the members of the Student Government Association do recommend that the University place ice machine in all residence halls and replace or repair the ones that are not currently working.
