Resolution 99-4-f
Topline
November 2, 1999

PURPOSE: For Western Kentucky University to research the possibilities of implementing a toll free line for all activities through Topline.

WHEREAS: Many students that go to Western live outside the local calling area, and

How many?

WHEREAS: The duration of an average Topline call contains lengthy and repetitive information, and

WHEREAS: It would be a convenience for students to avoid dealing with long distance calling charges, and

WHEREAS: High phone bills will add one more financial burden to Western students, and

WHEREAS: A substantial amount is already being saved from not mailing ~~each~~ individual grade reports.

THEREFORE: Be it resolved that we, the members of the Student Government Association of Western Kentucky University, do hereby recommend that the University research the possibilities to implement a toll free line for all activities through Topline.
