Resolution 01-1-s
Shuttle Bus Problem
February 13, 2001

PURPOSE: For the Student Government Association of Western Kentucky University to request the university to research possible solutions to remedy the delay students incur while waiting for the shuttle bus due to loading to full capacity.

WHEREAS: The new shuttle bus policy does not permit students to stand in the aisle, in turn reducing the capacity of each shuttle bus exacerbating the existing problem, and

WHEREAS: Many students who attempt to utilize this service are forced to wait another fifteen minutes or walk up the hill causing academic tardiness, and

WHEREAS: Some students' health concerns necessitate their use of this service, and

WHEREAS: This remains an inconvenience for all students who depend on this service.

THEREFORE: Be it resolved that we, the members of the Student Government Association of Western Kentucky University, do hereby request that the university investigate possible solutions to the shuttle bus problem.
