Resolution 03-02-S
Garrett Space
February 4, 2003

PURPOSE: For the Student Government Association of Western Kentucky University to recommend that President Ransdell reserve all vacated space on the ground floor level of Garrett Conference Center for exclusive student center use.

WHEREAS: Garrett is "student-owned" and is maintained through student fees, and

WHEREAS: Current occupants of faculty offices and credit union space are scheduled to vacate the building to occupy new space elsewhere sometime this spring term, and

WHEREAS: Despite Dining Services remodeling improvements made in the past year, eating space within Garrett is inadequate to meet the student, staff, and faculty demand, and

WHEREAS: The required meal plan participation program is scheduled for next fall and will put further pressure on all dining facilities.

THEREFORE: Be it resolved that the Student Government Association of Western Kentucky University hereby recommends that President Ransdell reserve all vacated space on the ground floor level of Garrett Conference Center for exclusive student center use.
