Unfinished Business

Resolution 04-03-S Broadband Expansion Fee

Katie Dawson defended the legislation saying that after talking to Congress and looking at the results of the survey, the committee feels that the fee is something the students don't want right now. In questions, Scott Broadbent asked how the survey was sent. Dawson said 400 surveys were sent out through e-mail. In debate, John Law motioned to make a few friendly amendments to the resolution. In the third whereas clause, change "be given" to "apply," "student" to "resident," and omit "in their residents halls." In the fifth whereas a clause, move "though" at the beginning of the sentence and out it in front of the word "future." The motion to amend did not get a second; therefore the motion died. *The resolution passed with general consent.*

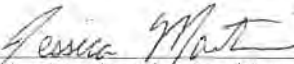

New Business

Resolution 04-04-S Improving Crosswalks

Announcements

John Law stated that he was disappointed that Congress did not approve the amendment. He said that the grammar was incorrect and that when he presented the legislation to the IT Committee, SGA would look stupid.

The meeting was adjourned at 5:53pm.
