Executive Council Minutes
September 16, 1997

Attendance: Keith Coffman, Leigh Ann Sears, Heather Rogers, Jamie Fite and Chad Lewis.

Executive Council met at 6:10 p.m. and discussed several different items.

Agenda: Council discussed whether to have or not have a tent for tailgating Saturdays before every home football game. A decision was made to only have 2 more this year. The first will be before the Austin Peay game on Saturday September 20 and the other will be Homecoming Saturday November 1, 1997. Chad Lewis will order the food and beverages and reserve the tent. Heather Rogers will put an ad in the Herald advertising the tent at tailgating and also sign-ups for Hillraisers. Rogers also mentioned a possibility of having a forum in November about the University Boulevard issue. All agreed that was a good suggestion.

Meeting was adjourned at 6:30 p.m.
