RESOLUTION #14

Night Clerk Permits

Whereas, the university is currently in the position of employing night clerks to staff the desks at the various residence halls and

Whereas, these night clerks are usually off campus students who have only a "C-zone" commuting sticker who oftentimes park near the dormitory they serve until 8 a.m., and

Whereas, campus patrollmen are instructed to issue citation beginning at 7 a.m.

Therefore, be it resolved that the university consider issuing special permits for night clerks only, allowing them to park in any zone available until 8:15 a.m. thereby allowing them time to remove their car within a reasonable amount of time after their work shifts is completed.
