

Resolution 79-8
Advanced Registration

Whereas, the ASG of WKU is the elected voice of Western students to the administration.

Whereas, its 1979-1980 Congress of the ASG is aware of a committee presently studying the possibility of an advanced on-line registration system for all Western students currently enrolled in campus courses,

Whereas, the ASG is aware that the Advanced On-line trail basis went with outstanding success for the participants,

Therefore, be it resolved that the 1979-1980 ASG be on record to this committee and the administration of WKU in favor of implementing at the earliest possible date an advanced On-line Registration system for all Western Students.
