PURPOSE:

For the University to add a provision which allows an undergraduate student who has been readmitted to the University, after an interruption of his/her college career, through appropriate channels to choose not to have any of his/her previous undergraduate work at the university counted toward the computation of his/her grade point standing.

STATUS:

WHEREAS,

Western should encourage students who have problems or crisis to finish their schooling,

WHEREAS,

Such a policy would allow students who have problems to continue, and

WHEREAS,

The criteria for absentee's in class could be used as a basis to be applied to this policy, and

WHEREAS,

This policy addition would directly affect students who need help, and

WHEREAS,

We, the Associated Student Government recognize that some students need more help than others under certain circumstances, and

THEREFORE,

Be it resolved that we the members of ASG ... being concerned about students who have been stricken with a crisis, traumatic problem, or death in the family ask ~~that~~ the Academic Council adopt a policy for these individuals, for the purpose of the individuals to continue their education without penalties and to choose to or not to have any of their previous work count toward calculation of their grade point average.
