RESOLUTION 92-03-F

DESIGNATION OF A CLOCKSETTER BY THE PHYSICAL PLANT

Introduced: September 29, 1992

PURPOSE: To recommend that the Physical Plant instruct a qualified employee to keep the clocks on campus running with the correct time.

WHEREAS: All students are not fortunate enough to possess a watch; and

WHEREAS: There is a deep concern to be on time to class throughout the student body at Western.

THEREFORE: Be it resolved that we, the members of the Student Government Association, in the interest of Western's student body, do hereby resolve to protect the inalienable right of the students to have access to the correct time, by requesting that the Physical Plant instruct a present employee to set and maintain clocks each semester according to the Greenwich Standard Time.
