RESOLUTION 95-9-F

Establish an Academic Services Fee
November 14, 1995

PURPOSE: For the University to add to the current student fees an Academic Services Fee of \$5.00 for full-time students and of \$.40 per hour for part-time students.

WHEREAS: This fee would cover the costs of all drop/add transactions and transcripts during a semester, and

WHEREAS: This would decrease the work load of employees of the registrar's office in that they would not have to take payments or make change, and

WHEREAS: This would be more convenient for students who need to obtain a transcript, drop/add a class, but may not have funds at that time, and

WHEREAS: Students not enrolled at Western would be charged the current transcript fees, and

WHEREAS: The funds from this fee would be used for the costs incurred by mailing and printing transcripts and to support the continuing efforts of the Registrar's office to increase the technology used in registration.

THEREFORE: Be it resolved that we, the members of the Student Government Association, do hereby recommend for the convenience of the student body that an Academic Services Fee be included in the current student fees.
