Mr. Jerry Johnson
Manager, Student Center
Downing University Center 240

Dear Mr. Johnson,

The Student Government Association recently passed a resolution asking that the Downing University Center air WWHR 91.7 radio over the speaker system. WWHR supports many of the University activities by announcing campus events over the air.

The Student Government Association passed this resolution and feels it is important to the students of Western Kentucky University. Attached you will find a copy of Resolution 98-13-F *Airing Campus Radio in DUC*. We hope that you review this resolution carefully and respond as soon as possible.

As the Student Government Vice President for Administration, it is my job to direct the resolutions to the proper departments within the University. I have also sent a copy to the Vice President of Student Affairs and to the Producer/Announcer of the Public Radio Service. We hope that you are able to help us in this matter and would like to have feedback from you at your earliest convenience.

If you have any questions or concerns, please feel free to call or E-mail me (bastimd@wku.edu). The members of the Student Government Association appreciate your attention to this issue.

Sincerely,

Matthew D. Bastin
VP of Administration, 1998-1999
