Resolution 09-06-F
Vending Machine Prices
November 24, 2006

PURPOSE: For the Student Government Association of Western Kentucky University to recommend that WKU Vending Services and Canteen Services set the prices of snacks in vending machines on campus to increments of twenty-five cents.

WHEREAS: Currently, the vending machines offer snacks at nontraditional prices requiring a dollar and some change, and

WHEREAS: The majority of University students do not carry "small" change with them at all times and at times the machines require exact change only, and

WHEREAS: The current pricing of snacks is discouraging students from purchasing snacks from the vending machines, and

WHEREAS: Offering snacks at twenty-five cent increments would encourage students to purchase these snacks and also generate more profit for Canteen Services and the University.

THEREFORE: Be it resolved that the Student Government Association of Western Kentucky University to recommend that WKU Vending Services and Canteen Services set the prices of snacks in vending machines on campus to increments of twenty-five cents.
