Committee Reports

Academic Affairs:

- Sorry that I was not able to attend the retreat.
- We have legislation coming up today, so get ready for that.
- We will have a meeting after this meeting.

Campus Improvements:

- Receives the senator spotlight on the Seconds (J. Boles)
- We had campus cleanup yesterday, despite adverse weather, we had 12 people show up to participate. Even though it was rainy and cold, it was considered a success.
- Thanks to my committee for all their help with that.
- We are now going to start working on the goals we set at the retreat. One big one includes making all the machines on campus identical in the kinds of money they take. Another includes the Bowling Green Commission; we are going to try to get a sign on College Street that informs drivers that there is no stop sign going up the road toward Cherry Hall.
- We want to spend our money this year. If you have any ideas, please email me at Victoria.theiss@wku.edu .
- Our meetings are Tuesdays at 4:30 on the third floor of DUC.

Legislative Research:

- Since there was no legislation brought up at our last meeting, we really just got to know each other a little bit.
- Our meeting was at 5:45 on Monday. We will have it at the same time this week.
- If you wrote a piece of legislation, you must come to defend it. If you can not be there, send your vice chair to defend it.

Public Relations:

- Nomination by Robert Watkins: Ann Bright for PR chair.
- The meetings may be on Thursdays at 4:00 but an email will be sent out later for sure.

Student Affairs:

- I tried to get a hold of Gordon Johnson to talk about polling on Topnet, but he's on vacation for a week.
- November 16 in the lobby of Mass Media is where Dialogue Day will take place. We figured this was a central location people may see as they pass by and stop to talk.
