Bill #2

Constitutional Revision Committee

Whereas The current A.S.G. Constitution has proven itself both cumbersome and ambiguous; and

Whereas The recent University policy has superceded some sections of the constitution,

Therefore be it resolved that this congress establish a constitutional revision committee consisting of;

1. Chairman Judicial Council
2. Chairman Academic Council
3. Two Congress members from ASG
4. Administrative Vice-President

Purpose of this committee will be to study the constitution and recommend revisions to this Congress.
