Resolution 86-11-F
Grise Hall Parking Lot
Introduced 10-23-86

PURPOSE: For the University to convert the Grise Hall Parking Lot from Faculty/Staff to Student Parking for the members of the student body who live in that area.

WHEREAS, The parking lot in front of East and North Halls is reserved for faculty/staff between the hours of 7:00 a.m. and 5:00 p.m. weekdays, and

WHEREAS, With the fear of attack, it would be safer and more convenient for the residents of the surrounding halls to park closer to their residence halls both for accessibility and security, and

WHEREAS, Since Faculty/Staff only park there in the morning and leave their car there all day, they could just as easily park in the structure, and

WHEREAS, The students that live in these residence halls are in and out all day and should be allowed to park near their residence hall, and

WHEREAS, Most students residing north of Regents Avenue park their vehicle either in Diddle Arena parking lot or the parking structure.

THEREFORE, Be it resolved that we the members of the Associated Student Government being duly elected to represent the student body and provide for their general welfare ask that Grise Hall Parking Lot be converted into a Student Parking Lot.

FURTHERMORE, We suggest that the displaced Faculty/Staff members be given Reserved Parking Places in the Parking Structure.
