Visitation Hours
Introduced 3-27-90

PURPOSE: For the University to allow each individual residence hall government to choose visitation hours

STATUS:

WHEREAS: Each residence hall government was established to represent the needs and desires of their respective halls, and

WHEREAS, This would allow each individual residence hall to choose the hours of visitation that would most suit the individual needs of its residents, and

WHEREAS, This would further promote each residence hall to develop its own environment

THEREFORE: Be it resolved that we, the members of the Associated Student Government, recommend that each residence hall's government be allowed to choose its own visitation hours

FURTHERMORE: We recommend that each individual resident be given the opportunity to express his views by open forum, vote, or survey
