RESOLUTION 92-07-F

PROPOSED FORTHCOMING BUDGET CUTS

Introduced: October 13, 1992

PURPOSE: To recommend that Dr. Meredith and the Board of Regents of Western Kentucky University direct their efforts in the proposed upcoming budget cuts to be made totally from areas other than Academics.

WHEREAS: The University is or should be, first an institution of academic learning, above all else; and

WHEREAS: Such new budget cuts will erode and dilute further academics of the University; and

WHEREAS: There is fear and concern that any more budget cuts to the academics of the University will certainly show disrespect to the students, as well as weaken the credentials of our future graduates.

THEREFORE: Be it resolved that we, the members of the Student Government Association, in the interest of the University and its students, recommend that there should be no new budget cuts in the academic areas of Western Kentucky University.
