RESOLUTION 96-2-8
Implementation of "Dead Week"
February 20, 1996

PURPOSE: For the University to implement a "dead week," the week prior to finals.

WHEREAS: During this week, there should be no tests or exams administered, and

WHEREAS: This would allow students to better prepare themselves for finals, and

WHEREAS: Classes which normally have final exams during the week before finals week, such as lab courses and physical education courses, would still be administered.

THEREFORE: Be it resolved that we the members of the Student Government Association do hereby recommend for the well-being of the student body that a "dead week" be implemented the week prior to finals.
