**Placing additional lighting on Snell Hall to light sidewalk
March 10, 1998**

PURPOSE: For the University to install additional lighting around Snell Hall in order to provide sufficient lighting to cover the entire sidewalk connecting TCCW and the teacher's parking lot.

WHEREAS: The current lighting on TCCW and in the teacher's parking lot does not sufficiently cover the entire sidewalk, and

WHEREAS: The sidewalk is utilized by many students during evening hours, and

WHEREAS: Student safety would be improved if lighting is increased in this area.

THEREFORE: Be it resolved that we, the members of the Student Government Association, do hereby recommend to the University that additional lighting be placed around Snell Hall to adequately light the sidewalk connecting TCCW and the teacher's parking lot.
