

Resolution 79-22
Candidate Expenditures
Introduced: 4/8/80

Status:

Whereas, the present expenditures allowed candidates in the ASG elections are as follows:

1. Executive officers- \$200.00
2. All other positions on Congress- \$100.00

Whereas, these limits have been in effect now for some time, and it is the opinion of your Rules & Elections Chairman that these should be changed.

Therefore, I feel that this change is needed to offset the rising cost of inflation especially since the price of paper has recently risen at least 50%. In the last two years photographic materials have doubled in price and campaign buttons have tripled in price. Along with this, the total cost of mass media campaigning is completely out of sight to most students.

Therefore, for these reasons and more, I feel that we should raise the spending limits by \$100.00 for Executive office candidates, and by \$50.00 for all other Congress position candidates.

Furthermore, this action if passed would take effect in the Fall of 1980.
