Whereas, the Constitution of the United States of America states that its citizens will be protected from unlawful searches and seizures, and

Whereas, the residents of the WKU dorms are invaded by staff and resident assistants for room inspection, and

Whereas, this action takes place a lot of times without the residents present or without their permission, and

Whereas, we are renting rooms from WKU, and are considered citizens of the U.S.A.,

Therefore, we the ASG of WKU do hereby request that the housing administration put a stop to this practice until such time as they receive permission from the residents stating that they are allowed to enter their room,

Furthermore, no student shall be forced to give their permission and no student shall be denied housing on campus for not giving their permission.
