

Resolution 81-12
Grace Week
Introduced: 03/23/82

Status:

Whereas, Students of Western Kentucky University attend college to gain an education, and diploma and,

Whereas, in order to gain this, they must pass finals and,

Whereas, these students need to spend as much extra time as possible studying for these finals and,

Whereas, the Faculty-Senate of Western Kentucky University agree that if possible a grace week should be established,

Therefore, let it be resolved that the Associated Student Government recommends to the Board of Regents and Academic Council that they study the possibility of having a grace week at Western Kentucky University in which the last day of class is set aside for review of the material that has been presented throughout the semester.
