RESOLUTION 93-2-S
STUDY DAY PRECEDING EXAM WEEK
INTRODUCED: February 2, 1993

- PURPOSE: To designate the Friday preceding exam week as a day of study during which students would not be required to attend classes.
- WHEREAS: Students have expressed interest in an extra day to study for exams; and
- WHEREAS: It would be helpful for the students to have three days of preparation before the week of final exams; and
- WHEREAS: Most students have found it beneficial to have Wednesday off during exam week with the exception of those students having to take departmental exams on Wednesday; and
- WHEREAS: Students would also benefit from having the Friday preceding finals week off as a day of study.
- THEREFORE: Be it resolved that we, the members of Student Government Association of Western Kentucky University do hereby recommend that the Friday preceding exam week be designated as a day of study during which students would not be required to attend class.
