RESOLUTION 93-7-S
ASH TRAYS PROVIDED FOR SMOKERS
Introduced: April 6, 1993

PURPOSE: To provide smokers with ash trays to put cigarette butts in instead of on the ground.

WHEREAS: Smoking is no longer permitted inside some of the academic buildings on campus; and

WHEREAS: Many students, faculty, and staff members are smokers; and

WHEREAS: These people do still smoke, but now they just smoke outside the building, which is the only place they are permitted to smoke; and

WHEREAS: The smokers have no where to put their cigarette butts except on the ground which takes away from the beauty of our campus.

THEREFORE: We the members of Student Government Association, who are concerned about the beauty of our campus do hereby resolve that ash trays be placed at the exits of these academic buildings.
