Resolution 98-5-S

Placing of Ergonomic Keyboards in computer labs & classrooms

PURPOSE: For the University to provide each computer lab and computer classroom on campus with at least one ergonomic keyboard.

WHEREAS: Many students have wrist and hand problems that require special computer keyboards, and

WHEREAS: those students would be better served by access to this type of keyboard, and

WHEREAS: the use of ergonomic keyboards promotes healthy habits and prevents further injury to students wrist and hand problems.

THEREFORE: Be it resolved that we, the members of the Student Government Association, recommend the University provide at least one ergonomic keyboard in each computer lab and classroom,

Mr. Charles Anderson
Vice President Information Technology
109 Wetherby Administration Building

Dear Mr. Anderson

Recently the members of the Student Government Association passed a Resolution that the students feel are important issues deserving University Attention. Resolution 98-5-S is enclosed in this letter. Please review this piece of legislation carefully and feel free to contact me with any questions you have regarding this issue.

As Student Government Secretary, it is my job to direct the resolutions to the proper administrative office. If your office is not the one to deal with the issues please advise, so that I may redirect the issues to the proper person. Provided the resolutions deal with campus issues within your area, I request that you provide a response within the next two weeks to the SGA Office. If you have any questions, you may reach me at ext. 5814 or e-mail at "fitejl@wku.edu".

The members of the Student Government Association appreciate your attention to this issue concerning the students.

Sincerely,

Jamie Fite
SGA Secretary, 1997-1998
