Resolution 99-6-S
Expressing Student Concerns for the future of SHS
April 20, 1999

PURPOSE: To express the sentiment of the Student Body regarding the future of the Western Kentucky University Student Health Services.

WHEREAS: The decision of the Ad hoc Committee on Student Health Services will affect every student, and

WHEREAS: Student input should be a crucial factor in the committee's decision making process, and

WHEREAS: This document offers a prioritized list of student concerns for the University to consider.

THEREFORE: Be it resolved that we, the members of the Student Government Association, do hereby express the sentiment of the Student Body regarding the future of Western Kentucky University's Student Health Services.

AUTHORS: Dwight Campbell
Laura Hancock
Sally Eilerman
Tim Hatton

SPONSOR: Committee on Committees

Student Specifications for Western Kentucky University's Student Health Services

1. Postpone decision until Fall 1999
 - Students should be kept informed as decisions are made.
2. Students, faculty, and staff deserve the same, if not improved, quality and service.
3. Student Health Services should be provided for all students regardless of insurance.
4. Student Health Services should be located on Western Kentucky University's main campus.
5. Student Health Services student fee should be rescinded if a private service charges students.
6. Student Health Services should be open to walk-in appointments.
7. Student Health Services should be limited to only Western Kentucky University students, faculty, and staff.
8. Student Health Services should continue to provide health education programs.
9. Student Health Services should work in cooperation with Western Kentucky University's pre-professional health care students.
10. Student Health Services should continue to provide reduced price prescriptions.
